

LaTeeb Announces 3rd Party Candidacy

After weeks of swirling rumors and with his/her/its/their usual flare for the dramatic, Jacques LaTeeb finally confirmed what many insiders had already suspected by announcing that he/she/it/they will be running for president via a 3rd party candidacy. This embryonic political party, dubbed the “Hitler Was Right Party” (HWRP), will, of course, be headed up by LaTeeb himself/herself/itself/their selves.

Speaking at HWRP campaign headquarters for their Woke-language media kick-off event, LaTeeb said “I’m both saddened and sickened to see so many of my colleagues in Congress falling in line with the Jew Lover Biden by voicing their support for Israel, a colonial, oppressive, occupying apartheid state. It’s time for Jew Haters everywhere to rally around the Hitler Was Right Party and take our country back from the Jew Lovers.” Asked about the absence of traditional Nazi swastika iconography, LaTeeb responded “That’s being considered. But for now, we don’t want to scare off independents and white suburban women (sic).”

The most resounding round of applause at the event came when LaTeeb added “The proposed \$100 million inhumanitarian aid package for Gaza and the West Bank sounds good on paper, but what guarantees do we have that this money will be used to kill Jews? Where’s the accountability? This is a critical moment in our history which demands absolute immoral clarity.”

While this announcement was greeted with great fanfare by Woke-speaking outlets enthusiastically endorsing LaTeeb’s candidacy, there are already signs of division within the HWRP. Sources close to the campaign, speaking on the condition of anonymity, had this to say. “LaTeeb wants to import the zyklon-b from a Zyklon-B factory located in Wuhan, China. Some of us here at the HWRP feel that the poison gas used to kill Jews should be manufactured right here in the good ole US of A. However, LaTeeb believes that American companies are trying to Jew him/her/it/them over with outrageous price-gouging quotes. LaTeeb wants the American people to know that their hard-earned tax dollars won’t be wasted.”

LaTeeb finished his/her/its/their speech in an ominous tone by issuing this warning to fellow Democrats. “There are too many JHINOs (Jew Hater In Name Only) in the Democrat party. I’m not running for president out of spite or just to generate some splashy fund-raising headlines. I really hate the Jews and want to kill all of them. I’m not leaving the Jew-Hating wing of the Democrat party. The Jew-Hating wing of the Democrat party left me.”
