

The Strange Case Of Dylan Mulvaney

Dylan Mulvaney is a popular internet influencer followed by millions. Since he is a public figure, I feel that I am well within my rights, perhaps it is even my duty as a concerned citizen, to alert the world to what I would deem this gentleman's erratic and reckless behavior.

Whenever I see Mr. Mulvaney nowadays when he's a woman, he's always just laying around in a bubble bath getting drunk on Bud Light. What kind of message is this sending to our kids? When he's a woman, why isn't he an architect, or a network administrator, or even a nurse? No. Whenever he's a woman he's just some ditzy broad whose most salient personality trait is that of a lazy good-for-nothing drunken bum. This is your tranny role model? No thank you.

Even worse, Mr. Mulvaney is always either a man or a woman. Again, what kind of message is this sending to our kids? Sure, you can tranny from male to female or female to male, but what about all the other dozens, if not hundreds, of other genders he/she could be choosing from? This is a callous slap in the face to every LGBTQ out there who is currently in the midst of a life and death struggle to discover their true selves. In my opinion, Mr. Mulvaney is a Binary Genderism War Criminal and should be extradited to The Hague to face charges of Crimes Against Wokedom.
